

**FAYETTE COUNTY DRUG & ALCOHOL COMMISSION, INC.  
NOW OFFERS OUTPATIENT DETOXIFICATION TREATMENT**

**This program is appropriate for opiate dependent individuals who want to detoxify while still living at home, and have strong home support.**

**IN ORDER TO RECEIVE  
BUPRENORPHINE:**

- Must attend four (4.5) hours of therapy a week.
- Actively participate in six to fifteen weeks of outpatient therapy to be successful in this program.
- Agree to use given resources and assistance to help achieve your goals.

**Value Behavioral Health** and **Highmark BC/BS insurances** are accepted for this program. If you have no insurance, you may qualify for Medical Assistance and we will help you apply in our office. The amount you are asked to pay for your services is determined on a sliding fee scale based on how much income you receive. Proof of income is required for your household so we can determine your liability.

**For more information contact our Treatment Unit**
